On behalf of the Board, I am pleased to invite you to participate in the Entitlement Offer.

The Entitlement Offer, to which this entitlement offer information booklet (**Information Booklet**) relates, is expected to raise gross proceeds of up to approximately \$2 million.

Under the Entitlement Offer, eligible shareholders will have the opportunity to subscribe for 1 New Share for every 6.5 fully paid ordinary shares in Verbrec (**Existing Shares**) held as at 7:00 pm (AEDT) on 23 November 2023 (**Record Date**) at the Issue Price.

The issue price of \$0.06 per New Share represents a discount of:

- 24.1% to the theoretical ex-rights issue price¹ (**TERP**) of \$0.079;
- 26.8% to the last traded price of shares on 15 November 2023 (the last trading day prior to announcement of the Entitlement Offer) of \$0.082; and

TERP is the theoretical price at which shares should trade immediately after the ex-date for the Entitlement Offer assuming 100% take-up of the Entitlement Offer. TERP is a theoretical calculation only and the actual price at which shares trade immediately after the ex-date for the Entitlement Offer will depend on many factors and may not be equal to the TERP.

1. DESCRIPTION OF THE ENTITLEMENT OFFER

1.1 Overview

The Entitlement Offer is a pro rata non-renounceable entitlement offer of approximately 34,073,256 New Shares at \$0.06 per New Share to raise up to approximately \$2 million (before direct offer costs including fees paid to advisers and to providers of specific services to cover share registry, printing and postage costs).

1.2 Entitlement Offer

The Entitlement Offer constitutes an offer only to persons who:

- (a) are registered as a Shareholder as at the Record Date, being 7:00 pm (AEDT) on 23 November 2023;
- (b) have a registered address on Verbrec's share register in Australia or New Zealand;
- (c) are not in the United States and are not acting for the account or benefit of a person in the United States (to the extent such person holds Shares for the account or benefit of such person in the United States); and
- (d) are eligible under all applicable securities laws to receive an offer under the Entitlement Offer,

(Eligible Shareholders).

Eligible Shareholders are entitled to acquire 1 New Share for every 6.5 Existing Shares held by them on the Record Date.

The Entitlement Offer opens on 27 November 2023 and will close at **5:00 pm (AEDT) on 7 December 2023**.

This Information Booklet relates to the Entitlement Offer and is relevant only to Eligible Shareholders. A personalised Entitlement and Acceptance Form setting out your Entitlement accompanies this Information Booklet. If you are an Eligible Shareholder, your choices with respect to your Entitlement are outlined in section 2.1.

By returning a completed personalised Entitlement and Acceptance Form with payment or making a payment by BPAY®, you will be taken to have represented and warranted that you satisfy each of the criteria listed above to be an Eligible Shareholder. Nominees, trustees or custodians are, therefore, advised to seek independent professional advice as to how to proceed.

Eligible Shareholders should be aware that an investment in Verbrec involves risks. The key risks identified by Verbrec are summarised in the 'Key Risks' section of the investor presentation lodged with the ASX on 20 November 2023.

Any fractional Entitlement will be rounded up to the nearest whole number of New Shares. Verbrec reserves the right to round the Entitlement of any relevant holdings down so as to negate the effect of any intentional shareholding splitting or division which in Verbrec's reasonable opinion have been conducted in an attempt to gain an advantage by reference to the rounding provided for in the calculation of Entitlements.

No New Shares will be issued including under the Top-Up Facility if to do so would, to the knowledge of Verbrec, result in a breach of the Listing Rules or the restrictions on obtaining or increasing relevant interests of greater than 20% of Verbrec's issued voting shares under Chapter 6 of the Corporations Act, or would otherwise be contrary to the Listing Rules or Corporations Act.

1.3 **Ineligible Shareholders**

Shareholders who are not Eligible Shareholders are **Ineligible Shareholders**. Verbrec reserves the right to determine whether a Shareholder is an Eligible Shareholder or an Ineligible Shareholder.

The Entitlement Offer is not being extended to Ineligible Shareholders because of the small number of those Shareholders, the number and value of the Shares they hold and the cost of complying with applicable regulations in foreign jurisdictions. Verbrec may (in its absolute discretion) extend the Entitlement Offer to Shareholders that have registered addresses outside Australia and New Zealand (except the United States of America) in accordance with applicable law.

New Shares to which Ineligible Shareholders would have been entitled, had they been eligible, will form part of the shortfall.

1.4 **Ranking of New Shares**

The New Shares issued under the Entitlement Offer will be fully paid and rank equally with Existing Shares. The rights and liabilities attaching to the New Shares are set out in Verbrec's constitution, a copy of which can be obtained by contacting Verbrec.

1.5 **Allotment**

Verbrec has applied for quotation of the New Shares on ASX in accordance with the Listing Rules. Allotment of the New Shares under the Entitlement Offer will take place as soon as practicable after the close of the Entitlement Offer (as applicable).

Application Monies will be held by Verbrec on trust for Applicants until the New Shares are allotted. No interest will be paid on Application Monies.

It is the responsibility of Applicants to determine the number of New Shares allotted and issued to them before trading the New Shares. The sale by an Applicant of New Shares before receiving their holding statement is at the Applicant's own risk.

1.6 **Further information**

Eligible Shareholders can obtain a copy of this Information Booklet from the Verbrec website at <http://www.verbrec.com/investor-centre> or by contacting the Share Registry on 1300 850 505 (within Australia) or +61 3 9415 4000 (outside Australia) at any time from 8:30 am to 5:00 pm (AEDT) Monday to Friday during the offer period.

Persons who access the electronic version of this Information Booklet should ensure that they download and read the entire Information Booklet. The electronic version of this Information Booklet will not include an Entitlement and Acceptance Form.

A replacement Entitlement and Acceptance Form can be requested by calling the Share Registry on 1300 850 505 (within Australia) or +61 3 9415 4000 (outside Australia) at any time from 8:30 am to 5:00 pm (AEDT) Monday to Friday.

1.7 **Offer under section 708AA of the Corporations Act**

The Entitlement Offer is being made pursuant to provisions of the Corporations Act (as notionally modified by *ASIC Corporations (Non-Traditional Rights Issue) Instrument 2016/84* and *ASIC Corporations (Disregarding Technical Relief) Instrument 2016/73*) which allow entitlement offers to be made without a prospectus. This Information Booklet does not contain all of the information which may be required in order to make an informed decision regarding an application for New Shares offered under the Entitlement Offer. As a result, it is important for you to read carefully and understand the information on Verbrec and the Entitlement Offer

made publicly available, prior to deciding whether to take up all or part of your Entitlement or to do nothing in respect of your Entitlement. In particular, please refer to this Information Booklet and other announcements by Verbrec made available at www.asx.com.au (including announcements which may be made by Verbrec after publication of this Information Booklet).

1.8 Foreign Shareholders

(a) New Zealand

The New Shares are not being offered to the public within New Zealand other than to existing shareholders of Verbrec with registered addresses in New Zealand to whom the offer of these securities is being made in reliance on the *Financial Markets Conduct Act 2013* and the *Financial Markets Conduct (Incidental Offers) Exemption Notice 2016*.

There is no guarantee that Eligible Shareholders will receive the number of New Shares applied for under the Top Up Facility, or any New Shares applied for under the Top Up Facility. New Shares will only be allocated to Eligible Shareholders under the Top Up Facility if available and then only if and to the extent that Verbrec so determines, in its absolute discretion.

Refund amounts, if any, will be paid in Australian dollars and without any interest. You will be paid either by cheque sent by ordinary post to your address as recorded on the share register (the registered address of the first-named in the case of joint holders), or by direct credit to the nominated bank account as noted on the share register as at the closing date of the offer. If you wish to advise or change your banking instructions with the Share Registry you may do so by going to <https://www.computershare.com.au/easyupdate/VBC> and following the instructions.

If you wish to take up part of your Entitlement, payment must be made by following the instructions set out on the personalised Entitlement and Acceptance Form. If Verbrec receives an amount that is less than the Issue Price multiplied by your Entitlement, your payment may be treated as an Application for as many New Shares as your Application Monies will pay for in full.

No New Shares will be issued including under the Top-Up Facility if to do so would, to the knowledge of Verbrec, result in a breach of the Listing Rules or the restrictions on obtaining or increasing relevant interests of greater than 20% of Verbrec's issued voting shares under Chapter 6 of the Corporations Act, or would otherwise be contrary to the Listing Rules or Corporations Act.

2.3 **Do nothing and allow your Entitlement to lapse**

If you do not wish to accept all or any part of your Entitlement, do not take any further action and all or that part of your Entitlement will lapse.

If you do not accept all or part of your Entitlement in accordance with the instructions set out above, those New Shares for which you would have otherwise been entitled under the Entitlement Offer (including New Shares that relate to the portion of your Entitlement that has not been accepted) will form part of the shortfall.

By allowing your Entitlement to lapse, you will forgo any exposure to increases or decreases in the value of the New Shares had you taken up your Entitlement and you will not receive any value for your Entitlement. Your interest in Verbrec will also be diluted.

The Directors reserve the right, subject to the requirements of the ASX Listing Rules and the Corporations Act, to place Shortfall Shares within three months after the Closing Date to either existing or new Shareholders at their discretion. If issued, Shortfall Shares will be issued at a price not less than the Issue Price of New Shares under the Entitlement Offer. Shareholders will not receive any payment or value for the Entitlements not taken up under the Entitlement Offer that are subsequently taken up as Shortfall Shares.

2.4 Payment

The consideration for the New Shares is payable in full on application by a payment of \$0.06 per New Share. The completed Entitlement and Acceptance Form must be accompanied by a cheque for the Application Monies. Cheques must be drawn in Australian currency on an Australian bank and made payable to '**Verbrec Limited**' and crossed 'Not Negotiable'.

Alternatively, you may arrange for payment of the Application Monies through BPAY® in accordance with the instructions on the Entitlement and Acceptance Form. It is your responsibility to ensure your BPAY® payment is received by the Share Registry by no later than 5:00 pm (AEDT) on 7 December 2023. Your financial institution may implement earlier cut-off times with regard to electronic payment, and you should take that into consideration.

Verbrec will treat you as applying for as many New Shares as your payment of Application Monies will pay for in full up to your Entitlement. If your payment will pay for more than your full Entitlement, Verbrec will treat you as applying for your full Entitlement and in respect of any excess amount, applying for as many additional New Shares under the Top Up Facility as it will pay for in full.

Eligible Shareholders must not forward cash by mail. Receipts for payment will not be issued.

2.5 No minimum subscription

There is no minimum subscription amount for the Entitlement Offer.

2.6 Entitlement and Acceptance Form is binding

A completed and lodged Entitlement and Acceptance Form with the requisite Application Monies, or a payment made through BPAY®, constitutes a binding offer to acquire New Shares on the terms of this Information Booklet and, once paid, cannot be withdrawn. If the Entitlement and Acceptance Form is not completed correctly it may still be treated as a valid Application for New Shares. The Directors' (or their delegates') decision whether to treat an acceptance as valid and how to construe, amend or complete the Entitlement and Acceptance Form is at their sole discretion and final.

By completing and returning your personalised Entitlement and Acceptance Form with the requisite Application Monies or making a payment by BPAY®, you will also be deemed to have acknowledged, represented and warranted on behalf of each person on whose account you are acting that you:

- (a) acknowledge that you have read this Information Booklet and the accompanying Entitlement and Acceptance Form in their entirety;
- (b) agree to be bound by the terms of the Entitlement Offer, this Information Booklet and Verbrec's constitution;

 - (1) determination of eligibility of investors for the purposes of the Entitlement Offer was determined by reference to a number of matters, including legal and regulatory requirements, logistical and registry constraints and the discretion of Verbrec and the Lead Manager; and

Notwithstanding the foregoing, the Entitlement may not be purchased, taken up or exercised by persons in the United States or by persons who are acting for the account or benefit of a person in the United States. Neither the Entitlements nor the New Shares may be offered, sold or resold in the United States except in a transaction exempt from, or not subject to, the registration requirements of the US Securities Act and the applicable securities laws of any state or other jurisdiction in the United States; and
- (w) if you are acting as nominee or custodian, each beneficial holder on whose behalf you are submitting the Entitlement and Acceptance Form is resident in Australia or New Zealand and is not in the United States and is not acting for the account or benefit of a person in the United States, and you have not sent this Information Booklet, the Entitlement and Acceptance Form or any information relating to the Entitlement Offer to any such person.

2.7 Brokerage and stamp duty

No brokerage fee is payable by Eligible Shareholders who accept their Entitlement. No stamp duty is payable for subscribing for New Shares under the Entitlement Offer or for additional New Shares under the Top Up Facility.

2.8 No cooling off rights

Cooling off rights do not apply to an investment in New Shares. You cannot withdraw your Application once it has been accepted.

2.9 Notice to nominees and custodians

Nominees and custodians may not distribute any part of this Information Booklet or any Entitlement and Acceptance Form in any country outside Australia, except to beneficial holders of Shares in New Zealand or any other country to the extent Verbrec may determine it is lawful and practical to make the Entitlement Offer.

Verbrec is not required to determine whether or not any registered holder or investor is acting as a nominee or custodian or the identity or residence of any beneficial owners of existing Shares or Entitlement. Where any person is acting as a nominee or custodian for a foreign person, that person, in dealing with its beneficiary, will need to assess whether indirect participation in the Entitlement Offer by the beneficiary complies with applicable foreign laws. Verbrec is not able to advise on foreign laws.

3. AUSTRALIAN TAX CONSIDERATIONS

3.1 Introduction

This section is a general summary of the Australian income tax implications of the Entitlement Offer for Eligible Shareholders.

The taxation implications of the Entitlement Offer will vary depending on your particular circumstances. Accordingly, you should seek and rely upon the professional advice of your own taxation or financial adviser before concluding on the particular taxation treatment that will apply to you.

The comments in this section deal only with the Australian taxation implications of the Entitlement Offer if you:

- are a resident for Australian income tax purposes; and
- hold your Shares on capital account.

The comments do not apply to you if you:

- are not a resident for Australian income tax purposes; or
- hold your Shares as revenue assets or trading stock (which will generally be the case if you are a bank, insurance company or carry on a business of share trading); or
- are subject to the “taxation of financial arrangements” rules (commonly referred to as the **TOFA rules**) in Division 230 of the *Income Tax Assessment Act 1997* (Cth) in relation to your holding of Shares, Entitlements or New Shares; or
- acquired the Shares in respect of which the Entitlements are issued under any employee share scheme or where the New Shares are acquired pursuant to any employee share scheme; or
- acquired Entitlements otherwise than because you are an Eligible Shareholder (e.g. where the Entitlements are acquired on ASX).

If you are such a Shareholder, you should seek your own independent professional tax advice applicable to your particular circumstances.

The comments are necessarily general in nature and are reflective of the comments in the Commissioner of Taxation’s public ruling Taxation Ruling 2017/4 (Income Tax: taxation of rights and retail premiums under renounceable rights offers where shares are held on capital account). The comments are based on Australian taxation law and administrative practice as at the time of issue of this Information Booklet.

The comments do not take into account any financial objectives, tax positions or investment needs of any particular Shareholder. As the taxation implications of the Entitlement Offer will depend upon an Eligible Shareholder’s particular circumstances, all Eligible Shareholders should seek and rely upon their own professional taxation advice before concluding on the particular taxation treatment that will apply to them.

Eligible Shareholders that are subject to tax in a jurisdiction outside Australia may be subject to tax consequences in that jurisdiction in respect of the Entitlement Offer that are not covered by taxation advice in relation to the taxation implications of the Entitlement Offer in any jurisdictions that are relevant to them.

Verbrec, its officers or employees and taxation or other advisers do not accept any liability or responsibility in respect of any statement concerning taxation consequences of the Entitlement Offer.

3.2 **Income tax consequences of Entitlements**

(a) **Issue of Entitlements**

The issue of Entitlements to Australian resident Eligible Shareholders should not, of itself, give rise to any amount of assessable income or capital gain for Eligible Shareholders.

(b) **Exercise of Entitlements**

The exercise of Entitlements or application under the Top-Up Facility should not, of itself, result in any amount being included in an Eligible Shareholder's assessable income and should not give rise to any capital gain under the capital gains tax (**CGT**) provisions.

Eligible Shareholders that exercise their Entitlements or participate in the Top-Up Facility will receive New Shares. The amount paid to exercise Entitlements or to participate in the Top-Up Facility (i.e. the Issue Price) and any non-deductible incidental costs will form the cost base for CGT purposes of the New Shares acquired through exercise.

(c) **Income tax consequences of New Shares**

Dividends paid on the New Shares should be included in the assessable income of the relevant Eligible Shareholder.

Such dividends should also be frankable under the imputation provisions in the income tax laws. Generally, this means that, provided that an Eligible Shareholder is a 'qualified person' and the Commissioner of Taxation does not make a determination under the dividend streaming rules to deny the benefit of the franking credits to the Eligible Shareholder, the Eligible Shareholder should:

- include the amount of the dividend as well as an amount equal to the franking credits attached to the dividend in their assessable income in the income year in which they receive the dividend; and
- qualify for a tax offset equal to the franking credits attached to the dividend, which can be applied against their income tax liability for the relevant income year.

An Eligible Shareholder should be a 'qualified person' if the 'holding period rule' and the 'related payments rule' are satisfied. Generally:

- to satisfy the 'holding period rule', an Eligible Shareholder must have held their New Shares 'at risk' for a continuous period of at least 45 days (excluding the day of disposal) within a period beginning on the day after the day on which they acquired and ending on the 45th day after they become ex-dividend. To be held 'at risk', an Eligible Shareholder must retain 30% or more of the risks and benefits associated with holding their New Shares. Where an Eligible Shareholder undertakes risk management strategies in relation to their New Shares (e.g. by the use of limited recourse loans, options or other derivatives), the Eligible Shareholder's ability to satisfy the 'at risk' requirement of the 'holding period rule' may be affected; and
- under the 'related payments rule', an Eligible Shareholder who is obliged to make a 'related payment' (essentially a payment passing on the benefit of the dividend to another person), in respect of a dividend must hold the New Shares 'at risk' for at least 45 days (not including the days of acquisition and disposal) within each period beginning 45 days before and ending 45 days after they become ex-dividend.

An Eligible Shareholder who is an individual is automatically treated as a 'qualified person' for these purposes if the total amount of the tax offsets in respect of all franked amounts to which the Shareholder is entitled in an income year does not exceed \$5,000. This is referred to as the 'small shareholder exemption'. However, an Eligible Shareholder will not be a 'qualified person' under the small shareholder exemption if 'related payments' have been made, or will be made, in respect of such amounts.

Any gain or loss realised on disposal of New Shares should be taxable under the CGT provisions. Capital gains are generally calculated as the amount by which the proceeds on disposal of the New Shares exceeds the cost base of the New Shares. The cost base for New Shares will be the amount paid for them (i.e. the Issue Price) together with certain incidental costs of acquisition and disposal. The New Shares will be treated as having been acquired for CGT purposes on the date the relevant Shareholder exercised their Entitlements to buy the New Shares (i.e. the date the Shareholder returned their completed Entitlement and Acceptance Form). This means that the New Shares would need to be held for at least 12 months after this date in order for an Eligible Shareholder (who is an individual, trust or complying superannuation fund) to be eligible for the CGT discount concession on disposal of the New Shares.
